SAKE (SERVED HOT OR COLD IN A FLASK)

175ML / 350ML

KONISHI SILVER / LIGHT, DELICATE, REFRESHING

£7.80 / £13.80

Structured more like a light wine, Konishi Silver is light-bodied with lower alcohol, low acidity and a delicate fragrance resulting in a very silky and elegant Ginjo. Fragrance is a breeze of fresh, refreshing, flowers with a subtle touch of gingerbread. Best enjoyed chilled. 13.5% ABV

ANCIENT MOUNTAIN / WARMING, RICH & CREAMY

£8.80 / £15.80

Ancient Mountain is a particularly good example of a well-balanced, rich futsushu that pairs well with food. Delicious and warming, this sake has notes of sweet cereal, soy and mushrooms on the nose, with smooth & creamy rice flavours resulting in a rich, medium-bodied sake with light acidity; excellent for day to day drinking. Heated, the flavours mellow & the sweetness is highlighted, it is a spectacular winter-warmer. 15.5% ABV

KONISHI GOLD / FRUITY AROMA WITH LIGHT FLAVOUR

£8.80 / £15.80

Konishi bring their 500 years of brewing knowledge to bear and, using their 'hiyashibori' pressing method (i.e. pressing the sake in very cold temperatures with as little exposure to air as possible to limit oxidation), produce this brilliant Daiginjo. On the nose it's a delicate fruity fragrance with citrus, cherry & pear. Light-bodied, clean, elegant and simple with low acidity and delicate citrus, cucumber & pear flavours. Best enjoyed chilled. 15% ABV

AUTUMN LEAVES / WARMING, CARAMEL & CREAMED RICE

£8.80 / £15.80

Autumn Leaves has a deliciously alluring fragrance of fresh apple peel, caramel and creamy rice. It is a pleasing sake that warms the senses and relaxes the soul; enjoy a glass by yourself or share with friends! Tasting reveals a medium-dry, medium-bodied sake that has an initially strong impact which spreads around the mouth, dissipates quickly and matures into an excellent, creamy, rice flavour with gentle sweetness. 15% ABV

RED FACE / FRUITY, WARMING & DRY

£9.80 / £17.80

Red Face is satisfying and bone warming, pushing the rice flavours to the fore while the fruit supports in the background. Red Face is brewed to be a gentle and easy drinking sake that promotes rice flavours with delicate fruits. Medium intense aromas, of fresh green apple, banana, pear, bread and yoghurt, all backed up with ricey overtones. 15% ABV

MOONLIGHT / RICH, THICK, SWEET & DELICIOUS

£9.80 / £17.80

Moonlight is superb example of a full-flavoured, sweet nigori (cloudy) sake from Yamatogawa Shuzo. Nigorizake is made simply by coarse-filtering fermented sake to only partially remove the rice lees from the mixture. This results in a sake with a dense mouthfeel, a heady fragrance and a delicious, rice-forward sweetness from the remaining lees. Moonlight is full-bodied and weighty on the palate with high acidity and amino acidity elegantly balanced with the sweetness of the residual rice. 16% ABV

SAKE (SERVED HOT OR COLD IN A FLASK)

175ML / 350ML

KODAKARA UMESHU / TART, FRESH, ZIPPY & REFRESHING **£9.80 / £17.80**

This umeshu is made by the Junmai Daiginjo masters at Tatenokawa Shuzo. It is made from the finest Nanko plums, harvested locally in Yamagata Prefecture, and combined with Tatenokawa Junmai Daiginjo sake and Shochu made from the lees (kasu) of the same sake and sugar. The result is a rich, sweet flavour perfectly balancing the tartness of the plums. 10% ABV

PURPLE WARRIOR / CARAMEL & COOKED FRUITS CRUMBLE **£10.80 / £19.80**

A lively and full fragrance of cooked apples, caramel and marrow provides a tantalising hint of the flavours to come. Caramelised, spiced bananas and apples as well as bitter, dark chocolate are all flavours that are present in this slightly dry and full-bodied sake. Purple Warrior is fabulous at 30-35°C: at this temperature the aromas of the sake are enhanced and the flavours mellowed. 15% ABV

PEARL / SILKY, ELEGANT, FINELY SPARKLING SAKE **500ML BOTTLE £18.80**

Made expertly, in the traditional champagne method (second fermentation in the bottle), Pearl is a superb example of a medium-dry sparkling sake. It is made from rice grown on the brewery's own farm and polished to 45% making this a Junmai Daiginjo – the highest class of sake. Pearl is also lightly cloudy and makes quite an impression when opened: the bubbles rise and gently mix the sake, turning it from clear to cloudy! 13% ABV
